

ANOKA COUNTY SHERIFF'S OFFICE SHERIFF JAMES STUART

FRIDAY UPDATE: 06.05.15-06.12.15

Investigator Insight: SCAM ALERT we have been seeing the return of the fake help desk scam. Fake help desks are attempting to gain personal information or swindle you out of money by tricking users into believing that their computer is malfunctioning. They may then convince the victim to download software to allow a "technician" remote access the personal computer. Never give control of your computer to a third party, be suspicious of any e-mail or phone calls that asks you to divulge personal or financial information and keep your software and security programs up to date.
