

## **ANOKA COUNTY SHERIFF'S OFFICE SHERIFF JAMES STUART**

**FRIDAY UPDATE: 10.28.16 – 11.04.16**

We received a notice from the Federal Trade Commission regarding "electronics buyback scams." Electronic manufacturers are coming out with new smartphones, tablets and other devices at a faster clip and people who upgrade would like to get some money back for their old devices. Many are tempted by some websites that promise to pay "top dollar" for their old items – but some of these sites aren't keeping up their end of the bargain. Check out the article here:
