

2020 FREE FIX-IT CLINICS

Have broken stuff lying around?

Don't trash it - fix it!

Bring things like small household appliances, clothing, electronics, and more. Volunteer fixers will help you disassemble, troubleshoot and repair your item.

***Why fix it?* Bring your broken items back to life!**

Fix-It Clinics can:

- Save you money.
- Preserve old items that may be of value to you.
- Reduce waste in your community.

First come, first served. Items must be carry in - no items over 40 pounds. No items with liquids. Please bring replacement parts for your item if you can. Limit two items per person. Last items accepted 30 minutes prior to end of event.

**All Fix-It Clinics are held the first Saturday of the month from 10 am to 1 pm.
See the back of this flyer for dates and locations. For more information about Fix-It Clinics
and reducing waste go to: AnokaCounty.us/Reduce.**

These events are funded by the Anoka County Board of Commissioners & State SCORE (Select Committee on Recycling and the Environment) funds.
