

## **ANOKA COUNTY SHERIFF'S OFFICE SHERIFF JAMES STUART**

**FRIDAY UPDATE: 01.25.19**

We just can't make this stuff up, we can only try to educate. Below is a report we took this last week.

I was dispatched to the location on a threat report via text. I drove to the location and made contact with the RP. The RP advised that she met a male online. The RP then advised that she gave the male her bank account information and access to her accounts. The RP then told me that the male deposited two checks into her account. The RP then said that the checks seemed to be fraudulent, so she went to her bank and closed the account. The RP then told me that she told the bank about the fraudulent activity. The RP then told me that the male texted and left her harassing messages after he found out about the closure of the accounts.
