

The City of Columbus Park Board has begun discussing current and future goals for the Columbus City Park, located on the corner of Kettle River Blvd NE and Notre Dame St NE. From these the discussions, the Park Board hopes to create a Site Master Plan to guide these visions and goals into the future.

As part of this discussion the Park Board would very much like to hear from you, those who recreate at the Park! By filling out this Survey you will be providing us with valuable information to ensure that we can continue to improve on an already great center piece in Columbus and to ensure all of those who visit enjoy everything Columbus has to offer!
