

ANOKA COUNTY SHERIFF'S OFFICE SHERIFF JAMES STUART

FRIDAY UPDATE: 02.22.19

This report may only be funny to us, but we wanted to share it anyway. So, a resident called because he is watching his inside camera at his home and sees a male inside. He calls 911 and reports a burglary in progress. Multiple deputies respond, lights and sirens, to the location and surround the home, setting up a perimeter, and planning to make entry. There were no signs of forced entry, and there were no foot prints in the snow around the home that would indicate entry was made. Before deputies attempt to make the entry, a deputy contacted dispatch to make sure the male didn't have any roommates and that no one else lived in the home. Just before entry was going to be made (forced), the male realized he was watching a saved video of himself inside his home on his security camera from earlier. We are always happy to respond, and even happier when no crime is actually occurring!
