

ANOKA COUNTY SHERIFF'S OFFICE SHERIFF BRAD WISE

FRIDAY UPDATE: 09.01.23

Scams

08.26 The victim stated that on 8/25/2023 she googled booking.com and called 240-979-1616 to attempt to get a refund from a hotel she didn't use last October. She stated she spoke with a male with broken English who advised her account was closed and that she would need to go to Target who they are in affiliation with to get a gift card for \$330 dollars to send them and they would reimburse her at that time. She stated she went to Target and got the gift card and contacted the male again and gave him the card number. He told her the computer system timed out and she needed to do it again, so she went and got another \$330 dollar gift card from Target. The male told her the same thing, so he told her to go to Walgreens to get a gift card for \$400 dollars at Game Stop, so she did and gave him the info. At this time her husband spoke with the male and thought something was up. They contacted the bank and they advised her the money was out of her account and she called both Target and Walgreens and was advised they were now zeroed. She had no other information and had contacted the proper people to help her out. I googled the number and it came back warning for fraud.

08.28 The father of the victim advised that someone online was trying to extort his son. The son has been using an app called "Wiz." Through Wiz, he was briefly speaking with an unknown person with a female and a dog in a profile picture. He claimed that he blocked this person 3 weeks ago and had no way to get the username. He had previously given his phone number to this person. Today, someone was texting him from the email, "hammedmoshood305@gmail.com." The son stated they asked for a picture of his privates, but he did not send it. He then stated that they somehow got a photo of him and photoshopped a picture of a private on it and threatened to send it to all of his contacts unless he sent \$50. No money was sent. He also stated that after he blocked the email address from texting him but another number texted him to send money. I advised him to block all associated numbers and delete Wiz.
