

ANOKA COUNTY SHERIFF'S OFFICE SHERIFF JAMES STUART

FRIDAY UPDATE: 09.27.19

We read thousands of reports, this was one that I have never seen before; maybe medical marijuana isn't for everyone.

I arrived in the area and located the victim. He stated that he was at home and started feeling a little weird after he took some of his medical marijuana. He then decided that it was a nice day and tried taking a short walk to feel better. He soon found himself in a neighborhood digging through people's mailboxes. When I asked the male about that, he stated that he had no clue why he was digging in mailboxes.
