

## **ANOKA COUNTY SHERIFF'S OFFICE SHERIFF JAMES STUART**

**FRIDAY UPDATE: 11.08.19**

We have taken a few reports over the past couple weeks involving hunters being parked in remote areas. While they were out hunting, their vehicle was broken into. Many hunters leave wallets, phones, and even firearms in their vehicles while they are hunting. We believe thieves know this and use it as an opportunity for crime. Some of the break-ins involved busting a window, other times vehicles weren't secure. Our recommendation would be, if it is of value bring it with you while you are hunting. If you don't really need it, leave it home.
